Members Expertise Register KPL RAG Members

All of KPL's residents have expertise, past and present, in areas that are an asset to the negotiations between RAG and the KPL Board / KPL Management.

It is hoped that KPL resident will offer their input to matters that may arise. To do this we need to create a list of expertise in different areas and we are requesting that you support this effort by indicating your area(s) of expertise so they can be called upon if needed.
